

VENDORS: TOP 10 REASONS TO ENROLL

1. Your company will be an “Approved Vendor” for all locations of a Compliance Depot company client

Your company will be linked to any or all locations you are able to serve. Each location will have access to a web-based application for managing their vendor list. Your company will show as an “Approved Vendor” for their location.

2. Visibility to all of our clients - (over 500,000+ users with various business needs)

As an enrolled vendor, your company will be listed in our vendor database search engine by name, city, state or Industry or combination of any of these. (The majority of our clients utilize our vendor database as their main source For finding new or replacement vendors. Our clients represent over 110 property management companies, who represent over 7500 locations and 2,500,000+ its/locations across the country, as well as other companies outside of the property management industry.)

3. “Level playing field” for all vendors within your same industry

All vendors, within your industry class, for this company, must meet with the same requirements. Minimized risk of bidding against any of your competitors, who may be unqualified to service this client, unlicensed, uninsured, or underinsured.

4. Centralized point-of-contact to submit your documents for approval

Saves time! Work through ComplianceDepot, as a centralized, point-of-contact, to become approved to work for any or all locations you can serve within your company’s service area. For convenience, you may fax or e-mail documents to ComplianceDepot: documents@compliance-depot.net.

5. 24/7 Checkpoint – Status and Document Storage – www.compliancedepot.net

No need to call for status or updates! A secure web interface provides a convenient, real-time application to find out about your approval status. You will be able to view specific details as to what you may need to provide or any certificates or documents which require correction(s), to become approved for our mutual client(s).

6. We can work directly with your insurance agent(s), on your behalf

Our team is happy to work directly with your insurance agent to help you to become approved to perform work for any of our mutual clients. Sample insurance certificates, specified for each CD client you serve, are viewable through the web application. These samples may be easily e-mailed or faxed to your agents.

7. Potential savings of \$50 to \$200+ on your annual insurance premium

We consult with our clients to provide their approval to use generalized, additional insured language where possible, so that you are covered for all client locations you are able to serve. In most cases, this saves you from having to provide a certificate for each location you serve.

8. Assistance with staying on track with your insurance and licensing all year.

9. Regional and national programs are available to provide annual savings for Vendor companies who work with multiple Compliance Depot clients.

10. Low-cost background checks are available to vendor companies who enroll, to help with screening their own employees... only \$15 / employee.
